

## Clean City of Willoughby Association Inc.

Participants will be asked to have their spaces set up and ready for business by **8:00 am. This event ends at noon, and** the City Hall Parking Lot must be completely cleared by 1:00 pm.

Booth space is assigned when you arrive starting at the NW corner of the lot.

Due to space, City Hall parking lot will be for booths only. Cars will **not** be permitted to stay after set up is complete.. Parking will be available behind the Tech Center.

**Early Bird Registration Fee is \$10/space or 2 spaces for \$15  
Fees are non-refundable.**

**April 28th spaces are \$15 ea.**

The Clean City of Willoughby Association (CCWA) is a 501c3, non profit organization, formed to provide the funding needed to support the City of Willoughby Clean City Commission's beautification and environmental efforts. We are a resource to the community by providing funding for specific beautification projects within our community. Our funds are used for landscaping supplies, educational materials, outreach and projects specific to enhancing the City of Willoughby. The purpose of our membership is to promote and maintain a clean environment in our Willoughby community through educational and social activities. Willoughby, with its' National Registered Historic Downtown, is a unique Lake County experience. Our mission as a 501c3 organization is to provide the necessary funding to support and enhance our city's environment. Keeping our city of Willoughby beautiful requires time, energy and money. With tighter budgets, it's easy to overlook community cleanup and improvement, but CCWA exists to assist the City in these important efforts.
